

Vocabulary: Word Meaning in Context

Common Core Standard 4.L.4

Worksheet #1

Word List: Read these 3 words to yourself.

Deceive	Dialogue	Debate
---------	----------	--------

Identify Word Meaning in Context: Read the following sentences. Look at the way the word is used in each sentence. Use context clues to help you write what you think the bold-faced word means.

1. The magician's trick **deceived** the audience. He tricked the audience into thinking the woman had disappeared even though she was really still there.

I think deceive means _____

2. In the beginning of the play, the two actors talked to each other and had **dialogue** on the stage.

I think a dialogue is _____

3. The class had a rigorous discussion about the Summer Olympics versus the Winter Olympics. The **debate** lasted over an hour.

I think debate means _____

Dictionary Work: Look up each word listed in the first column. Write the definition of the word in the second column. In the third column, write a synonym for the word.
