

Vocabulary: Word Meaning in Context

Common Core Standard 4.L.4

Worksheet #2

Word List: Read these 3 words to yourself.

Expression	Quality	Inquire
------------	---------	---------

Identify Word Meaning in Context: Read the following sentences. Look at the way the word is used in each sentence. Use context clues to help you write what you think the bold-faced word means.

1. I saw the look on my mom's face. The smiling **expression** let me know she was pleased with how I had cleaned my room.

I think expression means _____

2. I will **inquire** about the grade I received on my math test tomorrow. I have to remember to ask my teacher about it when I get to school.

I think inquire means _____

3. One **property** or trait of a diamond is its hardness.

I think property means _____

Dictionary Work: Look up each word listed in the first column. Write the definition of the word in the second column. In the third column, write a synonym for the word.
