

Vocabulary: Word Meaning in Context

Common Core Standard 4.L.4

Worksheet #4

Word List: Read these 3 words to yourself.

Request	Unique	Extinguish
---------	--------	------------

Identify Word Meaning in Context: Read the following sentences. Look at the way the word is used in each sentence. Use context clues to help you write what you think the bold-faced word means.

1. If I am not successful on my test the first time, I will **request** a re-test and ask to take the test again.

I think request means _____

2. I have a **unique** experience each time I visit the museum because there is always something special and different to explore.

I think unique means _____

3. Water from the hose will **extinguish** the fire and put the fire out before it destroys the houses.

I think extinguish means _____

Dictionary Work: Look up each word in the first column. Write the first dictionary definition in the second column. In the third column, write a synonym for the word.
