Fun With “WAM” (Writing, Art, and Math)

Addition Sheet # 1 - Balloon

1. Read the underlined word: balloon
2. How many letters are in the word balloon? _____
3. Create a number sentence whose sum is equal to the number of letters in the word balloon. The **sum** is the answer in an addition problem.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

4. Use the underlined word from above in a sentence.

5. Draw and color a picture of a balloon in the space below.
